

Origami cat

STEPS 1-2

29 step folding guide

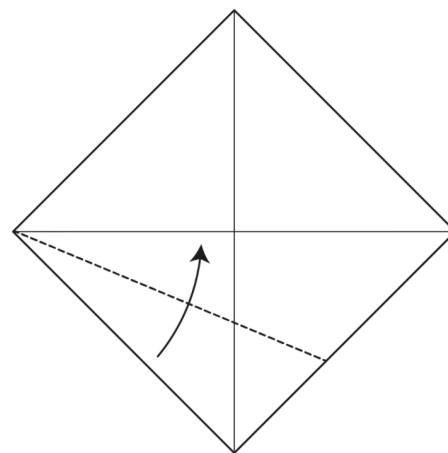

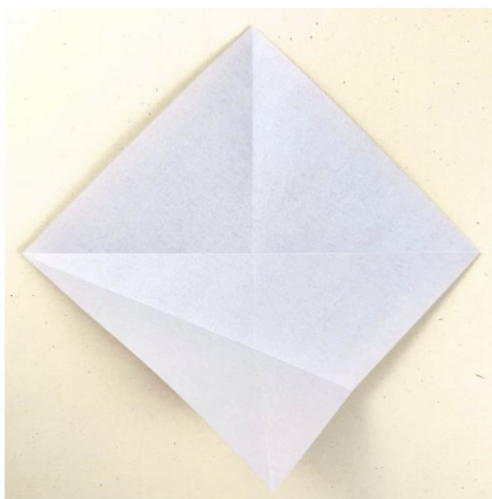

Paper One square sheet, 6 x 6 in (15 x 15 cm)

Step 1

Start with the white side facing up. Fold the paper diagonally in both directions, then unfold.

Step 2

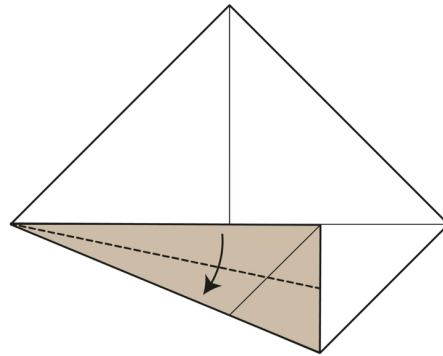

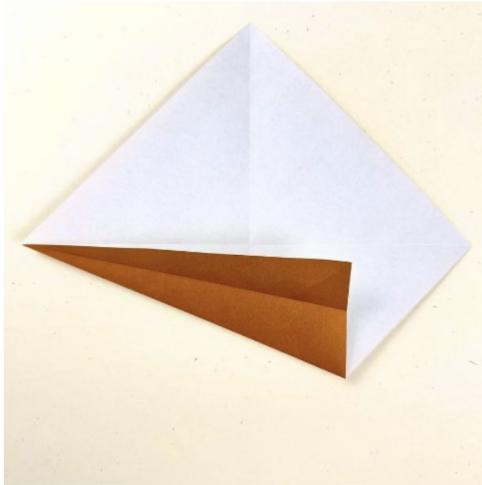

Fold the bottom left edge to meet the center crease.

Origami cat

Nicolas Terry model

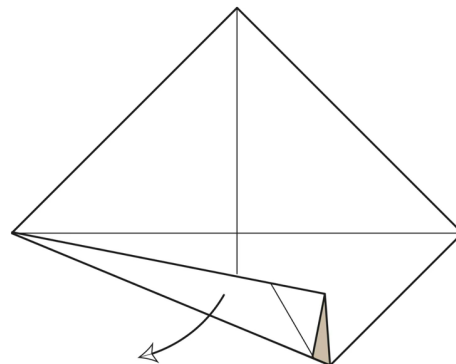

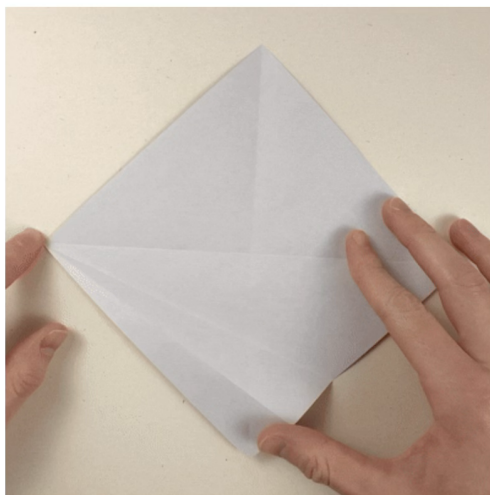

STEPS 3-4

Step 3

Fold the flap created in Step 2 in half.

Step 4

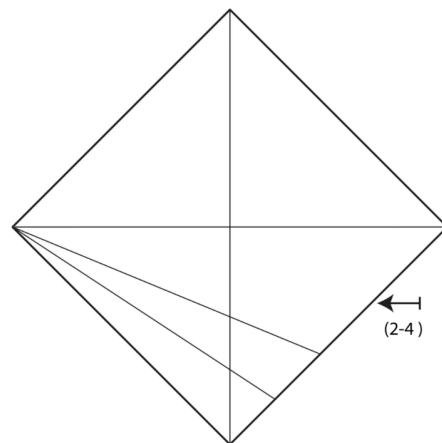

Unfold the flaps from Steps 2 and 3.

Origami cat

Nicolas Terry model

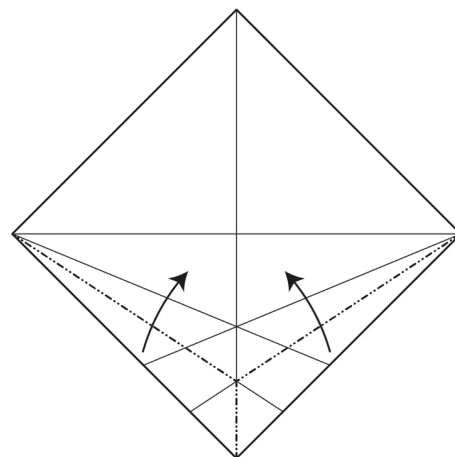

STEPS 5-6

Step 5

Repeat Steps 2-4 on the right side.

Step 6

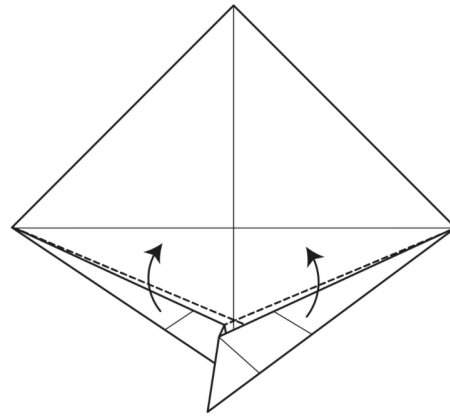

Mountain fold along the dotted lines, using the creases made in Steps 1 and 3.

Origami cat

Nicolas Terry model

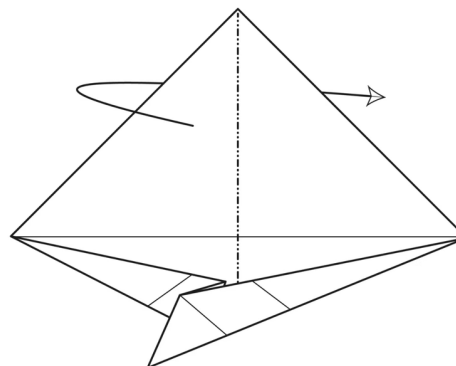

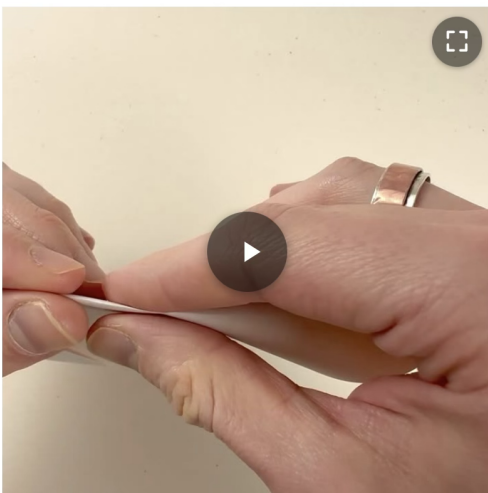

STEPS 7-8

Step 7

Fold along the dotted lines, using the creases from Step 2 as a guide.

Step 8

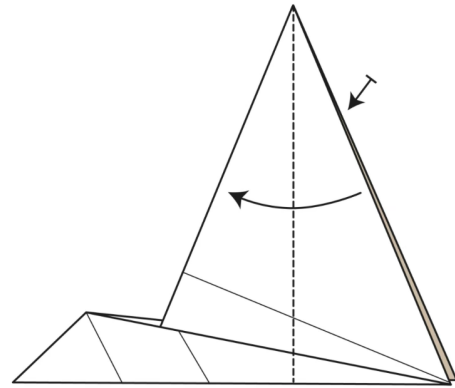

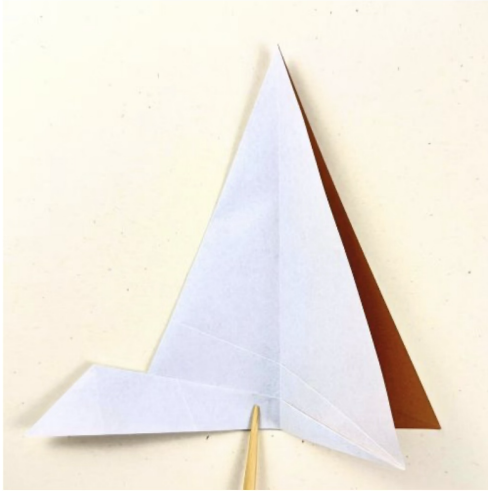

Mountain fold the model in half from left to right along the diagonal crease made in Step 1.

Origami cat

Nicolas Terry model

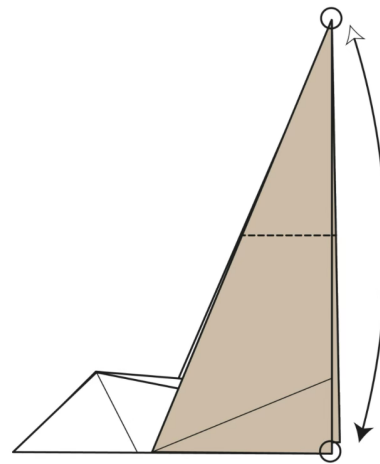

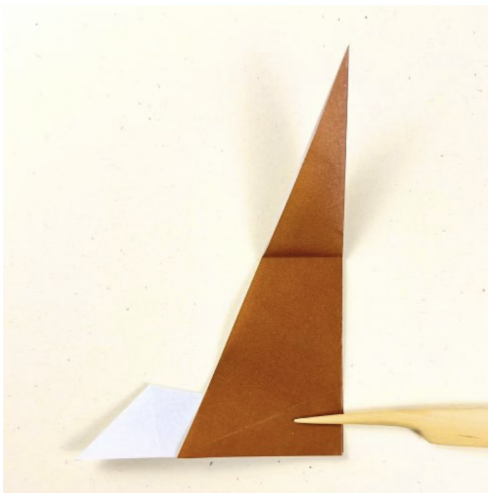

STEPS 9-10

Step 9

Fold the triangle in half vertically on both sides.

Step 10

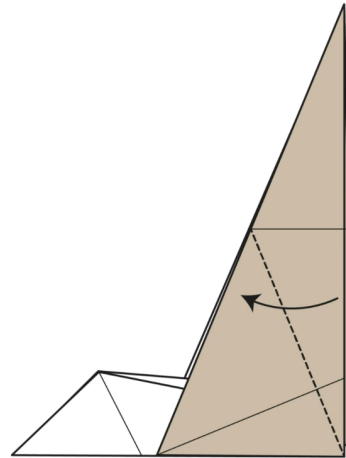

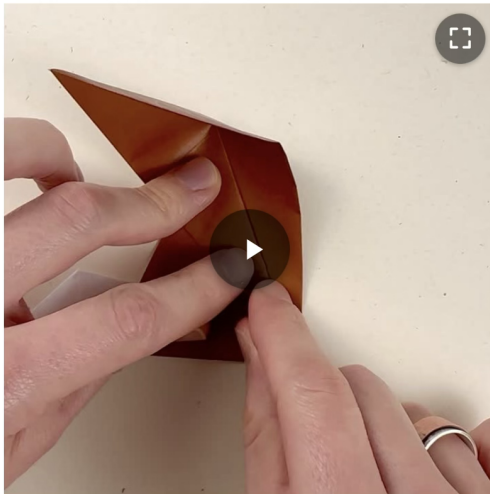

Fold and unfold the triangle in half by bringing the top corner to the bottom corner.

Origami cat

Nicolas Terry model

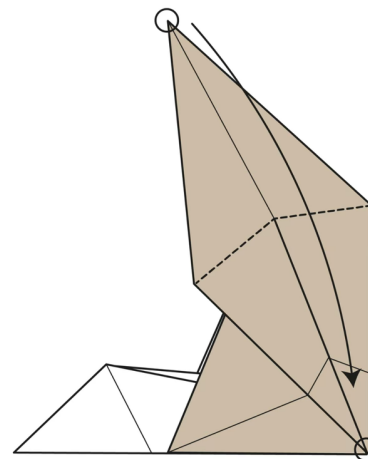

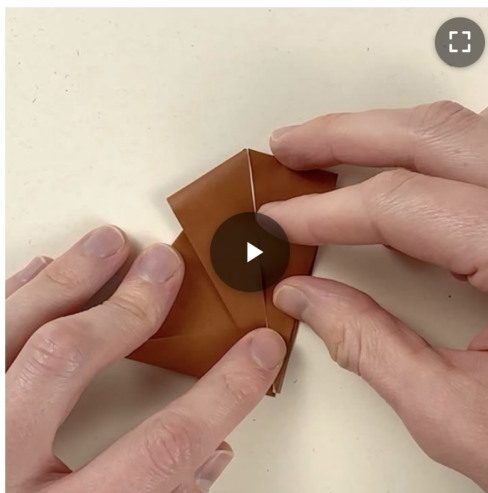

STEPS 11-12

Step 11

Open the top flap of the triangle, and fold along the dotted line.

Step 12

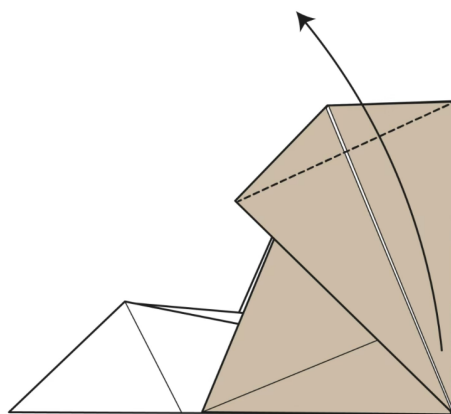

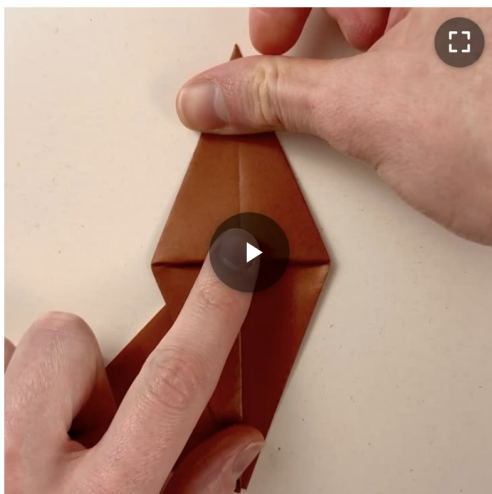

Bring the top corner down to the bottom corner so the two triangles sit on top of each other.

Origami cat

Nicolas Terry model

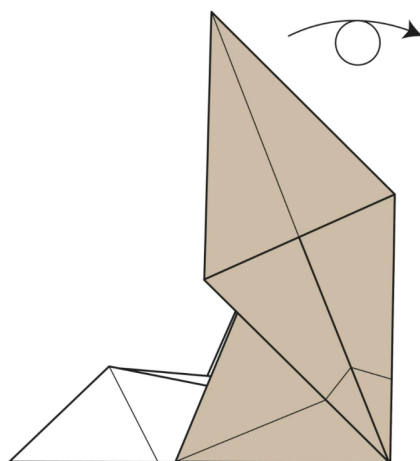

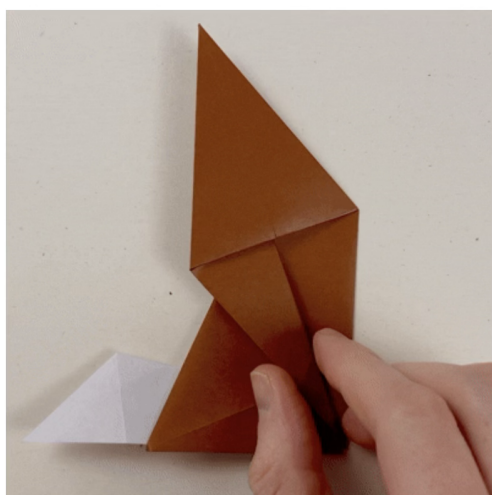

STEPS 13-14

Step 13

Fold the top flap up along the dotted line.

Step 14

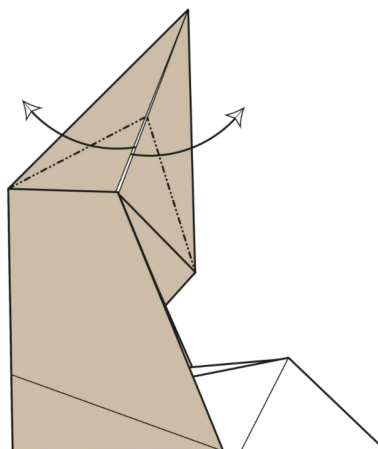

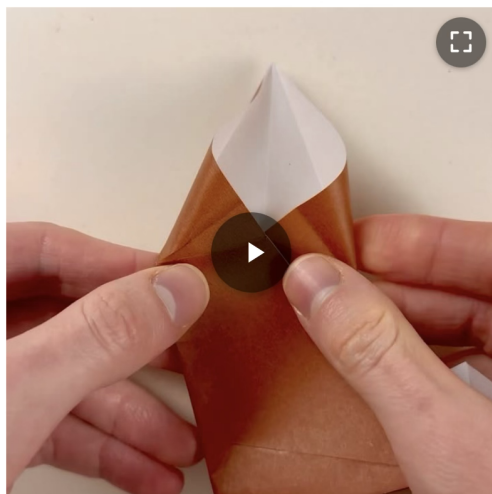

Turn the model over.

Origami cat

Nicolas Terry model

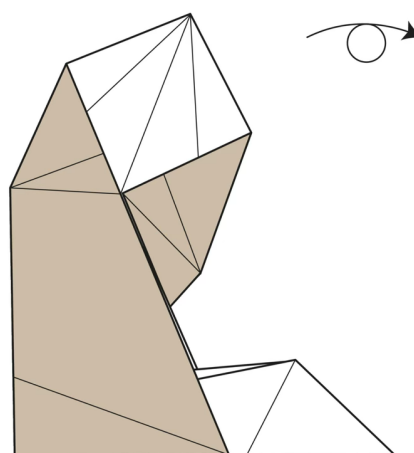

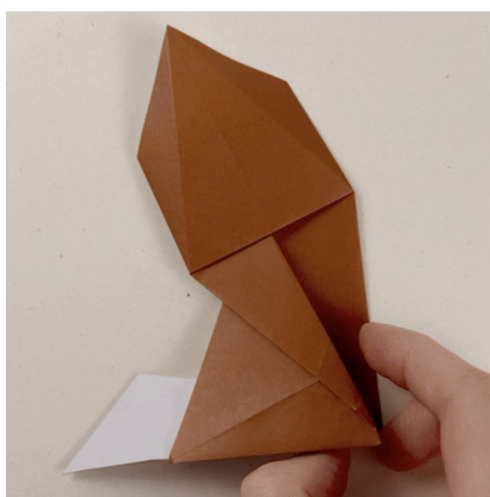

STEPS 15-16

Step 15

Open the triangle flaps and squash.

Step 16

Turn the model over again.

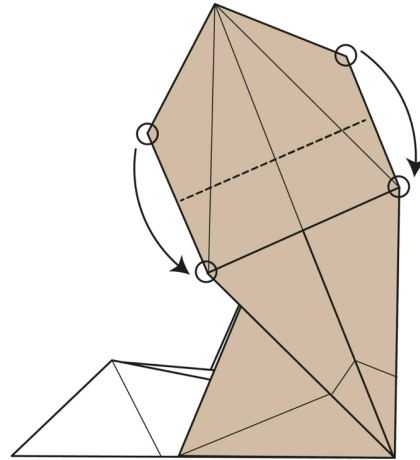

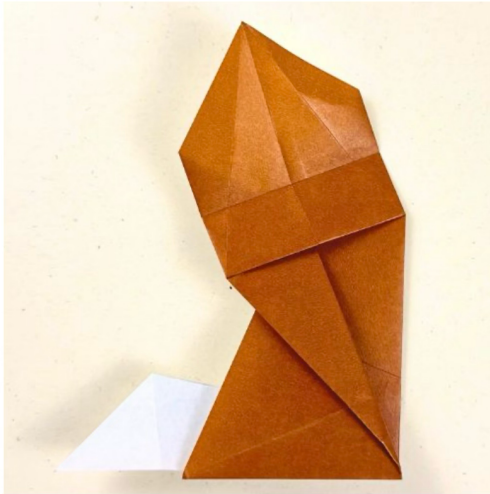

Origami cat

STEPS 17-18

Nicolas Terry model

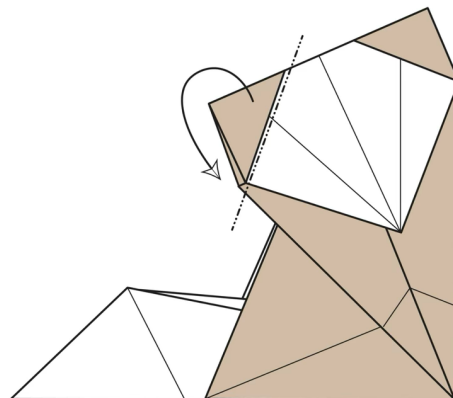

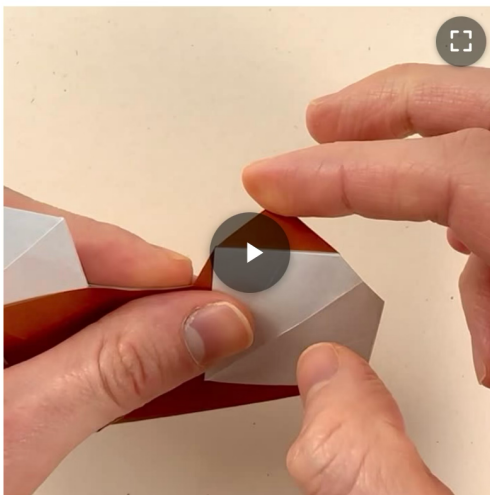

Ear folds: In Steps 18-22, diagrams show one ear; photos show both. Fold one ear at a time or both together.

Step 17

Fold along the dotted line, using the reference points as a guide.

Step 18

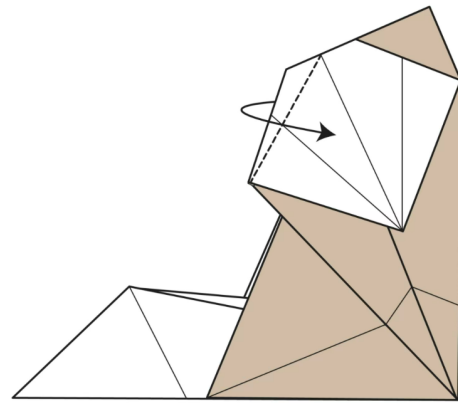

Make a mountain fold just below the cat's ear.

Origami cat

Nicolas Terry model

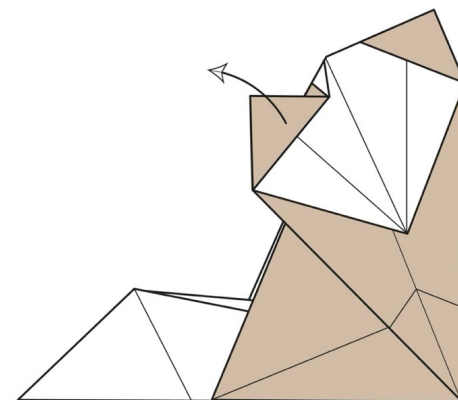

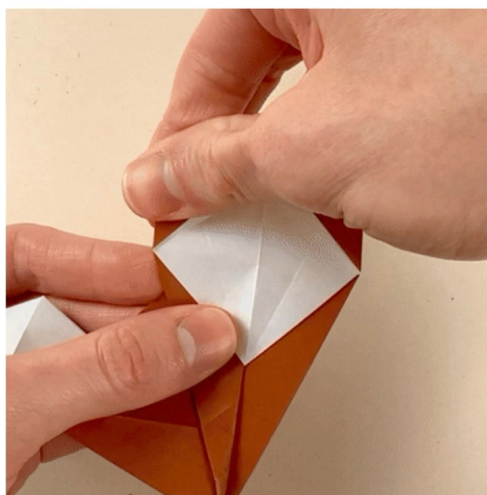

STEPS 19-20

Step 19

Fold along the dotted line, creating a crease that runs from the middle of the cat's head to the bottom of the cat's ear.

Step 20

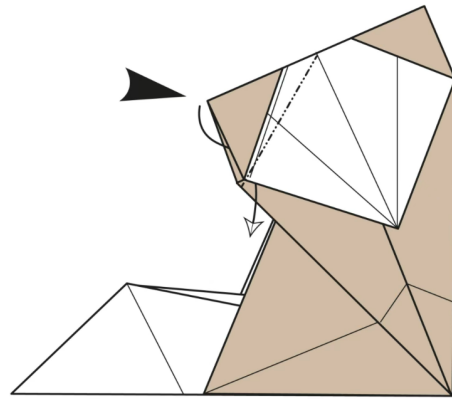

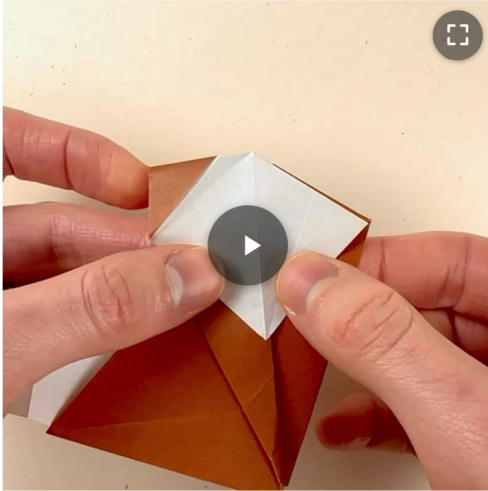

Unfold the creases you made in Steps 18 and 19.

Origami cat

Nicolas Terry model

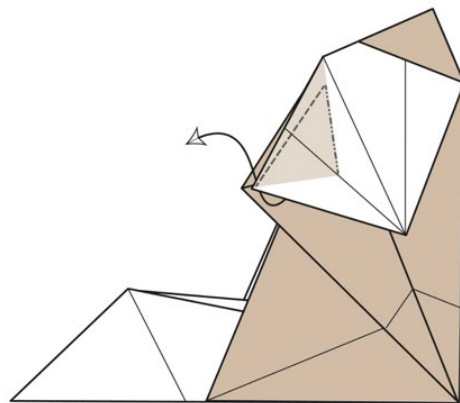

STEPS 21-22

Step 21

Inside reverse fold the ear along the creases made in Step 19.

Step 22

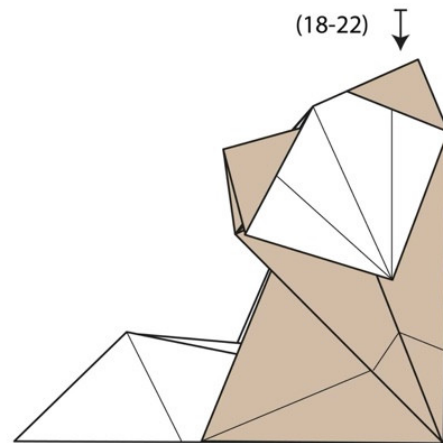

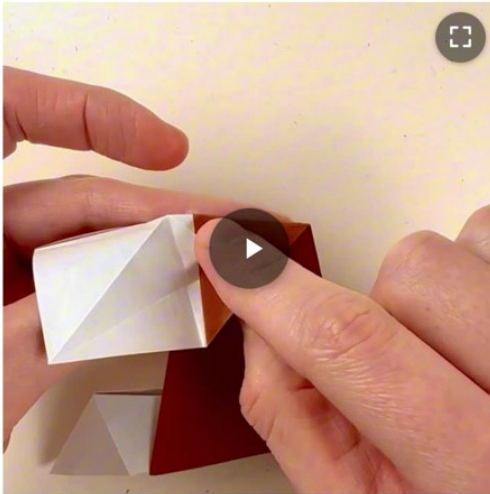

Inside reverse fold the ear again, this time using the creases made in Step 18.

Origami cat

Nicolas Terry model

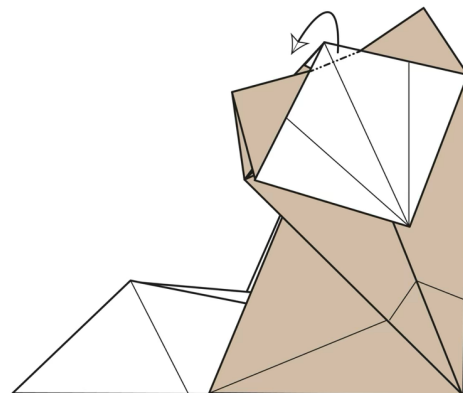

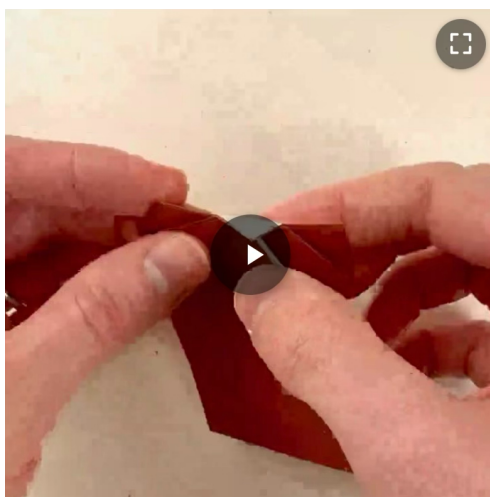

STEPS 23-24

Step 23

Repeat Steps 18 to 22 on the other ear of the origami cat.

Step 24

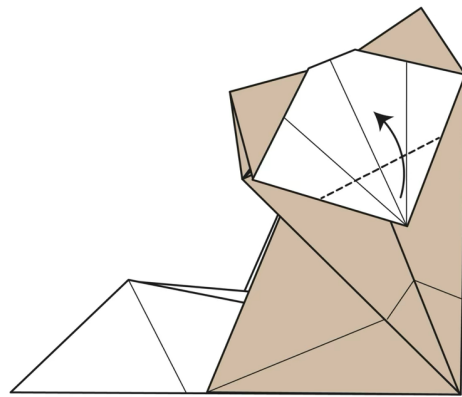

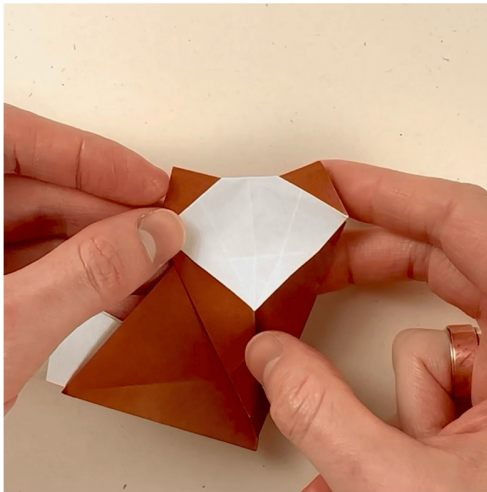

Mountain fold the top of the cat's head to hide the top triangle.

Origami cat

Nicolas Terry model

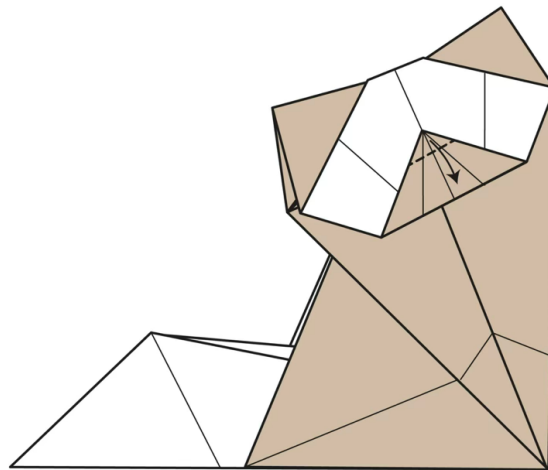

STEPS 25-26

Step 25

Fold the bottom corner of the head up along the dotted line.

Step 26

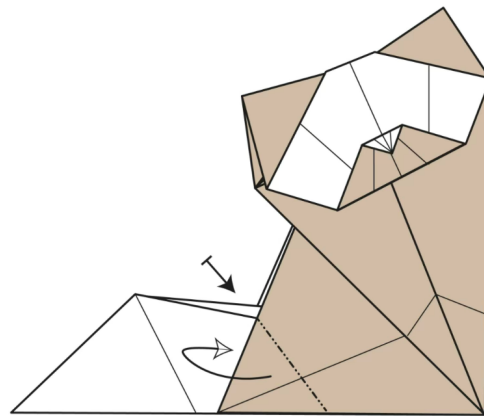

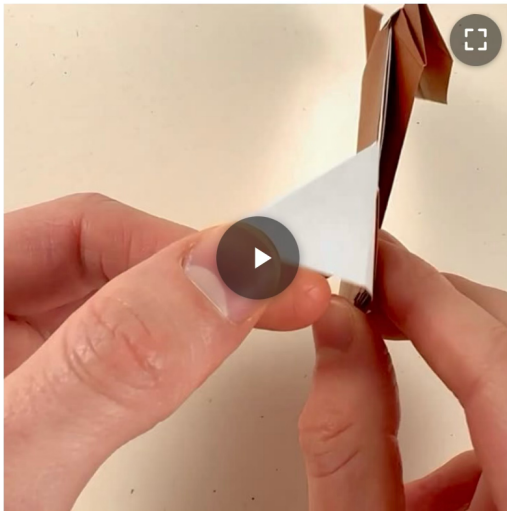

Fold the top flap along the dotted line to form the origami cat's snout.

Origami cat

Nicolas Terry model

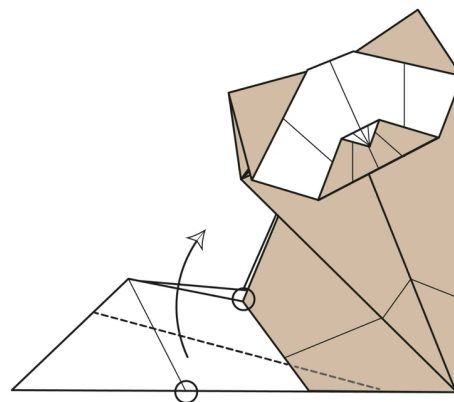

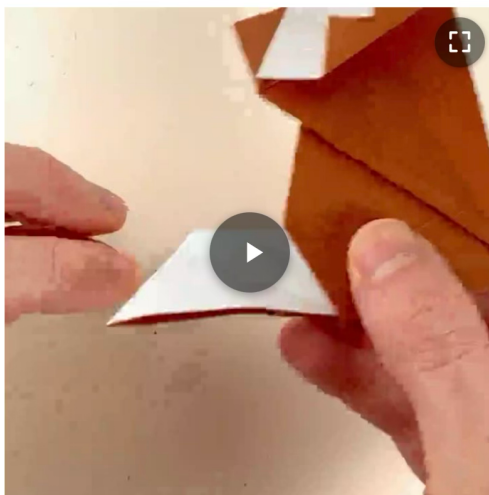

STEPS 27-28

Step 27

Mountain fold the first layer of the corner near the tail along the dotted line. Repeat on the other side.

Step 28

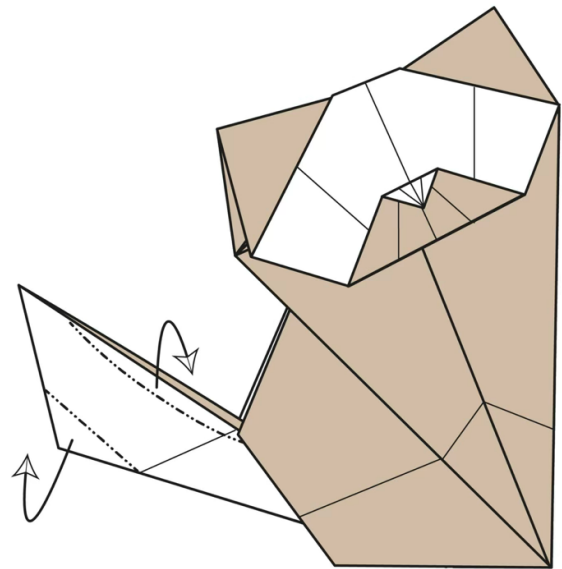

Fold the tail along the dotted line, using the reference points as a guide.

Origami cat

STEP 29

Nicolas Terry model

Step 29

Make mountain folds along both sides of the cat tail to give it a rounded shape.

Your origami cat is complete
